### APPLICATION FOR A RE-MARK OF AN ASSESSMENT

If you are not happy with the outcome of your final assessment, you can ask for a re-mark of your assessment scripts using this form. Your request and appropriate re-mark fee payment must reach the ICB within **one month** of your results being issued.

The ICB's Assessors will then re-mark your summative assessment (final exam) and/or your formative assessment (Portfolio of Evidence (PoE)). When the Assessor has completed your re-mark, your POE will be forwarded to a Moderator for verification. We will let you know within **twenty-eight days** what the results of your re-mark are.

If the re-mark results in your grade improving, we will refund your re-mark fee. But if the re-mark confirms the original marks / grading, you will not be refunded.

You can apply for one re-mark only per learning area. No second/subsequent re-mark requests for the same PoE and/or will be accepted.
